Registered Safeguarding officer

Contact:

Judy Howles. sandsc1@outlook.com

The safeguarding officer is a member of the club's committee where safeguarding is a standard committee agenda item; therefore she is able to update members at committee meetings of any safeguarding issues, policies and procedures.

Events

If any potential safeguarding issues are raised during the registration process for an event, the club safeguarding officer will contact Msuk safeguarding team for further advice.

These issues can include potential domestic violence and harassment.

A poster with the contact details of the club safeguarding officer will be displayed at any motorsport event run by the club .

Any concerns should be reported to the Club Safeguarding Officer in the first instance.
